Verstraete.team – Construction craftsman - bricklayer

Your challenge

From sleek apartment buildings and offices, beautiful residential care centers to renovations of castles, breweries, etc. . At Verstraete.team we do not shy away from any project! Together with your colleagues you will carry out masonry and formwork work on our various construction sites. As a professional you are always in consultation with the site manager, tower crane operator and other colleagues. Delivering safe and quality work is your 2nd nature. Where necessary, you help your teammates with the general organization of the site.

Expectations?

- With your experience (or training) in construction, coupled with a healthy work ethic and an eye for working safely.... That will get you a long way.
- If you enrich this with some team spirit and a touch of humor, you are the perfect match for our team!
- You have a VCA certificate or are willing to obtain one.

What are we offering?

At Verstraete.team you will be completely surrounded by colleagues who share the same passion as you.

- You will work in an environment in which you can excel and grow.
- A permanent job with appropriate remuneration according to the construction sector, supplemented by meal vouchers.
- Ambition to grow, that is certainly possible! Get to know Verstraete.academy where colleagues share their knowledge.
