Verstraete.team – Job student - Construction, Wood or Logistics

Your challenge

Vacation Job at Logistics

Come help our logistics team during the summer vacations with all kinds of chores at the depot. It is a varied job in which you are responsible, together with colleagues and other students, for stock counts, cleaning up the warehouse and other daily logistical tasks. You mainly work outside and are constantly physically busy. The perfect vacation job for you?

Vacation job on a construction site as a builder or joiner

Are you a student and do you know something about construction or wood? If you do not like to sit still during the vacations, a vacation job with Verstraete.team is the perfect opportunity to learn and earn extra money at the same time! You will work together with fellow builders or carpenters on site, preparing and installing formwork, wooden joinery, keeping the site clean, etc.

Vacation job as an assistant site manager or project manager.

Are you pursuing a Bachelor's or Master's degree in Civil Engineering? Make this vacation job the ideal extension of an internship.You support the site or project leader in day-to-day tasks such as work preparation, planning, price requests and if necessary also in the execution on site. An ideal combo to reinforce your studies.

What do you bring?

Ideally, you are pursuing an education in a construction- or wood-related field. Furthermore, you especially like to roll up your sleeves and learn in terms of structural work, joinery or the logistical organization of a construction and wood company!

Offer

- An instructive student job with a modern construction company!
- Compensation according to students in the construction industry.
- No Saturday work.
- A vacation job in the period late June to early September. We will discuss the specific period together, depending on your availability. We will take a break ourselves from July 15 to August 6, 2023. In those 3 weeks there is no possibility for a vacation job. Ideally, you should be available before and/or after this period.
